2023 Race Event and Year-End Awards Guide Introduction

Current January 30, 2023

With this presentation, you will be introduced to the ARCA Corporate Partners and Participating Manufacturers Contingency Awards Program.

The 2023 Corporate Partners and Participating Manufacturers Contingency Program is the Series Prize Money and Decal Program, the contingency program which allows sponsors to support the drivers, team members, and car owners with per race and year end awards. The 2023 Corporate Partners and Participating Manufacturers Contingency Program rewards teams and drivers for displaying sponsor decals, and for utilizing sponsor products and services. Sponsor representation includes display of decal, and presence in victory lane, plus the opportunity to integrate components into the core of the sport.

All Posted Awards and Point Fund earnings won by any team member (driver, crew chief, etc.) shall be paid by ARCA (or Sponsoring Entity), to the registered/entered team owner via ACH transfer of funds. Any participant earning points or winning specific awards as a team member for more than one team/owner in a single season shall have all awards payable to team owner(s) based on the number of race points/awards earned per team. The team owner, and not ARCA, shall be solely responsible for the distribution of such Posted Awards to the respective team member. This shall also apply to Year-End and Point Fund Awards unless otherwise specified.
